

Lexis® China 律商网

One-Stop Solution to Legal Issues Across Industries and Fields

Efficiently retrieving legal information from a massive database to improve performance

Providing a one-stop access to legislation and comprehensive legal commentary content across industries and fields to enable you to deal with inter-disciplinary legal issues with ease, and quick search for the legal information needed to inform your decision-making.

Collaborating with top industry minds to tackle challenges

Inviting nearly 1,000 top industry minds to contribute in-depth analysis of difficult legal issues, including column authors who all come from top law firms or large corporations with at least 15 years of legal practice experience.

Accessing professional reports and tracking hot legal topics to maintain a leading edge

Tracking hot topics on the legal frontline, covering a single topic with multi-dimensional content, and sharing professional legal reports to help clients to stay timely and fully informed and legal practitioners to stay ahead in the game.

What is Lexis® China?

Lexis®China is a flagship legal information database product released by LexisNexis in China. Since its launch in 2005, Lexis®China has earned wide acclaim from legal professionals. For over a decade, the database has been continuously updating its content and functions. In addition to building a massive collection of laws and regulations, Lexis®China supports a one-stop search for Chinese-English bilingual legal articles, tracks hot topics, emerging issues and updates in key legal areas, and provides multi-dimensional and in-depth legal commentary and analysis to help improve business efficiency for legal practitioners and inform law enforcement decisions.

Our Customers

- ◆ **Corporate:** Corporate legal, accounting, tax, IP and HR management professionals
- ◆ **Legal:** law firm partners, lawyers, consultants

Features & Highlights

Mass Data & Bilingual Content

Massive Data Volume and Industry-leading Content

With more than **3 million** primary data entries, the database has a comprehensive coverage of full-text statutes as well as judgement documents at both state and local levels since 1949, plus over **50,000** articles of in-depth legal analysis and commentary and a collection of over **a million** business cases covering Beijing, Shanghai, Guangdong, Shenzhen, etc.

Diverse Content Types and Reliable Sources

The statute, policy interpretation, administrative penalty and written judgement content are all from published official sources. The column, articles, hot topic and other commentary content are all exclusively contributed by experts from the country's top law firms, well-known corporations, courts and government agencies.

Inter-disciplinary Integration and Multi-dimensional Interpretation

With **33** legal subject areas and **28** industry categories that are cross-selectable, information is provided across industries and fields, and a single legal issue can be covered comprehensively with multi-dimensional analysis and interpretation.

High-quality Legal Translation

English translations of key Chinese statutes are provided, and the number of statutes and articles that are available bilingually is over **20,000** presently and counting. Both the quantity and quality of the translated texts are considered industry-leading.

Top Minds & Top Thinking

Column

We collaborate with dozens of top legal minds to offer opinions, tackle difficult issues and share insights on hot topics on the legal frontline through personal columns. All our authors are veterans with more than a decade of experience in their respective fields.

Report

Targeting major legal difficulties and hot issues encountered in legal practice and business activities, information will be collected, organized and analyzed professionally to help customers stay tuned to law development trends and scientifically customize their decision schemes and development strategies.

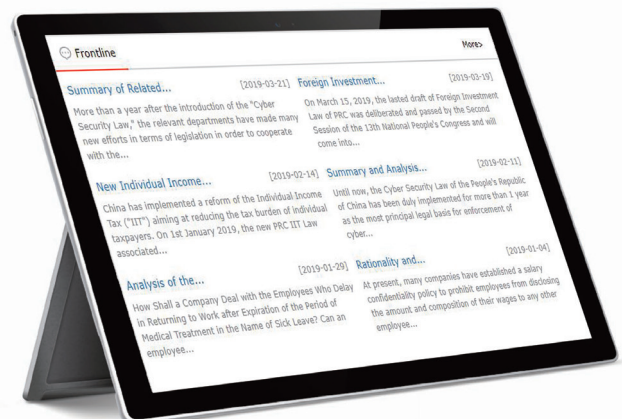

Articles

Development trends and changes in the legal market are tracked in the form of expert commentary, legislation analysis, case study, etc., by legal professionals specifically invited to offer practice notes and discuss the ins and outs of a given key issue.

Experts Q&A

Professional consultations are provided in a Q&A format by experts in various fields to enable you to communicate directly with industry insiders.

Deep Insights & Multiple Perspectives

Insights into Special Topics

Legal issues in selected key legal areas are studied systematically and in depth to provide insights from different angles on their impact on real-world practice and offer risk control strategies and approaches.

Multiple Perspectives

Multi-dimensional analysis and interpretation across industries and fields is provided, in a variety of content types and with multiple push notification frequency options, to offer full-coverage practical guidance solutions to legal issues.

Visual Analytics

Visual analytics applied to written judgements provides a plain view of trial progress and outcomes, along with the regional distribution of the trial courts, causes of action and their percentages as well as other statistic data visualized in graph format. A list of the corresponding judgement documents is also available for viewing.

Timely Updates & Quick Response

Frontline Topic Tracking

Current hot topics are continuously tracked to enable quick responses with offers of expert analysis and advice. We are quick to seize on hot issues and quick to provide solutions to difficult ones.

Daily Updates

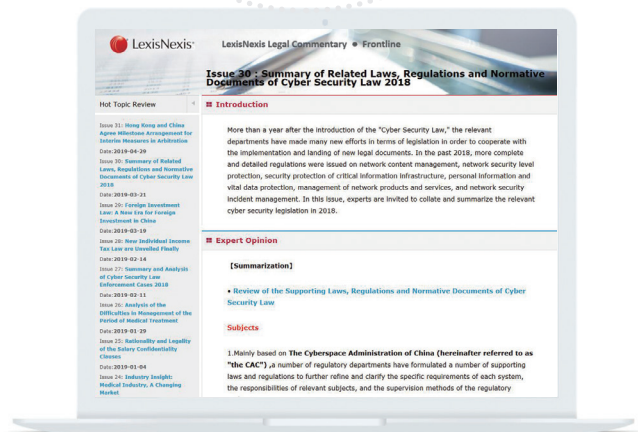

The entire database is updated daily to keep you up to date with the latest laws, cases, news and articles.

Daily Legislation Express

Our professional editors compile the most noteworthy legal updates of the day into a Daily Legislation Express that is available for subscription as customized emails to send directly to your email accounts.

Automatic Retrieval

You may set up automatic email alerts based on your interested legal subjects or industries to promptly notify you of the latest updates in the selected fields.

User-friendly Interface & Ease of Use

Simple Layout

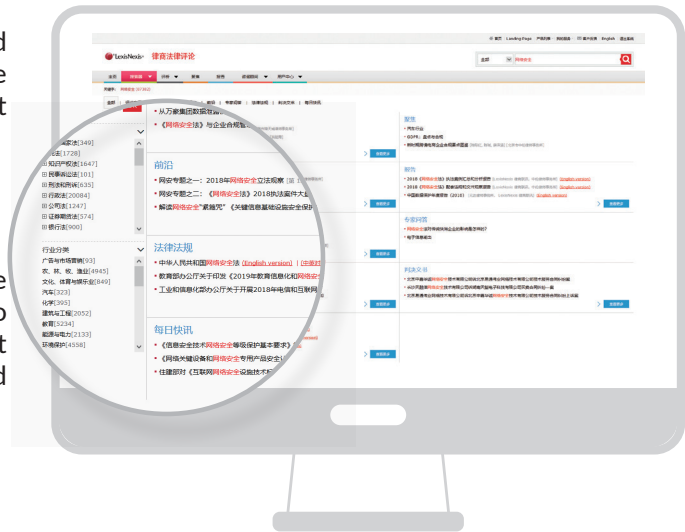

Legislation, special feature, email subscription, and latest hot topic content are all displayed on the platform in a clear, logical layout for you to see all at one glance.

Intelligent Search

One-stop search with just simple keywords on the homepage is supported to enable a one-click access to all relevant content under all or selected content categories across different industry categories and legal subject areas in the entire database.

Precise Search

If a more precise definition of the content to be retrieved is needed, an advanced search option is also provided to precisely locate the intended target information by matching specific criteria.

Personalized Services for Your Choice

Targeted Push Notification

Articles and legislations will be recommended to you based on your reading habit. You may also set up search criteria for relevant content based on your personal needs, or set up email alerts based on your interested legal subjects or industries so that you can be promptly notified of the latest updates on relevant content.

Various Subscription Options

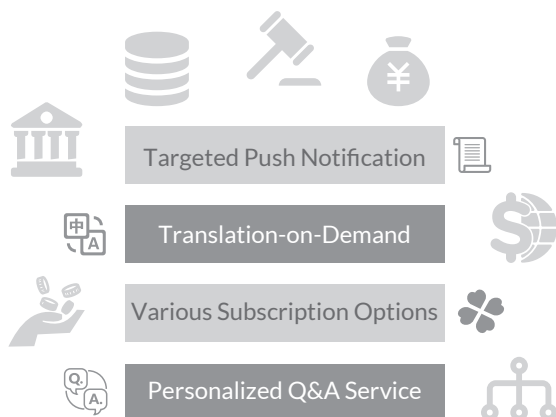

In addition to the Daily Legislation Express, you may choose to subscribe to our weekly Tax Special or Employment Special or/and monthly China Legal Review to receive our selected legal news updates and articles.

Translation-on-Demand

Every client is offered the privilege of free translation service on a per-demand basis, in addition to accessing the existing English translations available in the database.

Personalized Q&A Service

Personalized online Q&A service provided by a senior expert team enables you to get professional guidance for your practice, and you may also contact a specific legal expert for tailored professional advice.

About LexisNexis

Founded in 1818 and headquartered in New York, U.S., LexisNexis is part of RELX Group PLC and serves customers in more than 135 countries with more than 10,000 employees worldwide.
